Verse 1

David faced a giant that mocked the living God
By faith he stood in power and that giant had to fall
The Israelite people rivaled by a wall
But when the people shouted that wall it had to fall

Chorus

There is a sound, that makes walls fall down
There is a sound, that makes walls fall down
There is a sound, that makes walls fall down
Release the sound, Release the sound
Release the sound

Verse 2

What about Paul and Silas behind the prison walls
But when they started praising, those walls they had to fall

Chorus - Choir - Unison

There is a sound, that makes walls fall down
There is a sound, that makes walls fall down
There is a sound, that makes walls fall down
Release the sound, Release the sound
Release the sound

Verse 2 - solo

The crucified Jesus, was buried in a tomb
They thought His life was over but three days revealed the truth
The resurrected Jesus, He's coming with the clouds
Every eye will see Him, and every knee will bow

Chorus 2 - Choir - Parts

There is a Name, that makes demons flee
There is a Name, that makes demons flee
There is a Name, that makes demons flee
Release the Name, Release the Name
Release the Name, oh, oh

Release the Name
Release the Name
Release the Name, Jesus
Release the Name, oh, oh.....
